Monday Rehearsals and Parent Meetings

We are going to run our first couple of Monday evening rehearsals and band parent meetings a little differently this year. Colt Band will meet for the first time on Monday, September 19. That evening, we will hold a joint meeting with the Colt Band students and their parents. No instruments are necessary that evening. Colt Band will meet from 6:00 to 6:50 as they will throughout the year. Maverick Band and Mustang Band will meet for the first time on Monday, September 26. We will begin that evening with the students from both bands together, along with their parents. After a brief meeting together, we will split the two bands and conduct our first rehearsals of the year. Parents are welcome to hang out in the rehearsal rooms with us during that rehearsal if they would like. Both groups will meet that evening from 7:00-8:00 as they will throughout the year.

If you know that your child will be missing from any rehearsals or performances throughout the year, please visit our website to fill out the online form to let us know. A link to the online form can be found on our website or found at <https://goo.gl/324VYJ>.

Other Online Forms

We have an online form for students who have attended other concerts and performances to fill out for points toward our end of the year awards. If your child attends any type of musical performance, please visit the online form and fill it out with them. Each entry earns 5 points. The form is listed on our website and can be found at <http://goo.gl/E2iNm8>.

We have a similar form for any students who perform for church, chapel, or any other events outside of our performances as a band. Those performances earn 10 points each. That form is also listed on our website and can be found at <https://goo.gl/S5FFJx>.

Fundraising Opportunity

This year we will once again be participating in a fundraiser for our band program. Mr. Jack Schulze from The Chip Shoppe will be visiting our rehearsals on October 3 to introduce the students to the program. Monies generated by our band students from this fundraiser will help pay for non-budgeted items including the purchase and repair of instruments and other items we will need throughout the year.
