

Who are the Macedonians?

The people in the Macedonian churches were moved by faith to live generous lives for others. Their example was used to inspire others to give. Read 2 Corinthians 8 to see the power of God in your life of service and stewardship. Then ask yourself these three questions...

Why should I consider the Macedonian Circle?

All gifts of any size make you a member in the "Circle of Friends" of KML. Some members may strongly consider their gifts in a long-term pledge. As the KML "Macedonian Circle" grows you will always be surrounded and encouraged by a growing number of people who believe in the undeniable value of Christian training for generations to come.

What is the benefit of the Macedonian Circle for KML?

Long-term pledges for the **People and Programs** (operating budget) of KML allow us to create a better strategy for a growing ministry to our Federation and teenagers. Your long term pledge to the **Capital Campaign and Debt Reduction** will help the Federation pay for the expanded building much faster than a mortgage.

What is the benefit of the Macedonian Circle for me?

You get to decide how much your pledge will be. More importantly, you decide how your gifts will be used. Beyond the regular tax advantages, the joy of using God's bounty for building his kingdom will grow with a "Circle" of fellow believers.

2 Corinthians 8: 1-4

"And now, brothers, we want you to know about the grace that God has given the Macedonian churches.

Out of the most severe trial, their overflowing joy and their extreme poverty welled up in rich generosity. For I testify that they gave as much as they were able, and even beyond their ability. Entirely on their own, they urgently pleaded with us for the privilege of sharing in this service to the saints."

Whether for **People and Programs / Operating Budget**, or **Capital Campaign and Debt Reduction**, a commitment for three years allows KML to create a better strategy for a growing ministry to our Federation and teenagers. Your long-term support helps the programs to flourish and will fund the people who teach and learn.
