Dear Parent(s):

Kettle Moraine Lutheran High School will be hosting our Turnabout Dance on Saturday, January 25, from 8:00 – 11:00 p.m. at Kettle Moraine Lutheran H.S. Your teenager is requesting that a guest outside of KML be in attendance that night. By signing this form you are giving approval for this outside guest to be with your teen on this night.

The guest’s name is: ____________________________________________________________

Your teenager’s name is: ________________________________________________________

By agreeing to have your teen and his/her guest attend our dance, you should be aware that this is a semi-formal event (dress shirt with or w/o tie/ dress – dress pants/no jeans is part of our dress code for the evening) and your teen will be expected to abide by this policy. Guidelines for appropriate dresses are as follows:

1) Dresses should not be revealing – no cleavage should be showing.
2) Length of any short dress should be no shorter than one hand width above the knee cap.
3) No stomach or abdominal areas should be exposed.
4) No side slits should run above the knee cap.
5) Backless dresses should be waistline or higher.

In regards to our dance, the music has been pre-selected and no additions to the play-list are possible. Here are the guidelines for our dance:

1) While socializing off the dance floor, it is appropriate to sit next to one another, but not on each other.
2) While dancing, it is appropriate to keep your hands above the waist but not to be touching an individual, or giving the impression of touching someone, in a sexual way.
3) Dirty dancing, as it is sometimes called (front to back dancing or pelvic grinding), is not appropriate. Running into people on the dance floor or putting people on your shoulders would not be acceptable or, in most cases, even safe.
4) The dance play-list is approved and downloaded before the dance begins. Requests cannot be honored at the dance but may be submitted for consideration at least a week prior to the dance.
5) Chaperones will intervene in any inappropriate situation. If a person or couple needs to be warned more than once, they will be asked to leave the dance or sit out for the remainder of the evening.

6) You may not go out to vehicles after entering unless you have permission from the Pastor of Student Life or the Principal.

7) Once you enter the dance, if you leave your must leave for the rest of the evening and sign out with your name and the time you are leaving.

8) Please enjoy the time that you spend together; it is meant as a social event in which a Christian can let his or her light shine to God’s glory.
